

New Category of Membership for Vendors (Sustaining Members)

Recently our Board of Directors met and voted to approve a new level of Membership for Sustaining Members.

Corporate Sponsor's:

Fee: \$500.00 per year that includes:

- Vendor space at both Winter and Summer Conference.
- Have your company Logo on the NCACLEA site as a Corporate Member.
- Two (2) Banquet tickets for the Summer Conference.
- Email notice to all members when you sign up.

As you may know, previously vendors were not invited to the Winter Conference, now you will receive notification of when and where for both Conferences in a timely manner. The Winter Conference is generally a one day conference but draws a very large group of Chief's, Directors, and Command Staff. The Summer Conference will be same type setup, 2-3 days.

The Winter Conference will have a Vendor area as we have done at the Summer Conference but **now you have to write only one check and show up.**

Dates and locations:

Winter Conference-- January 31, 2014, 1000-1600 at the Wake Tech. Community College Public Safety Training Center in Raleigh NC. Hosted by Wake Tech CC Police Dept.

Summer Conference—May 14-16, 2014 in Greensboro, NC. Exact location will be announced soon. Hosted by UNC-G Police Dept.

With the inclusion of the Winter Conference we hope it will give your company more exposure and another opportunity to re-connect with and hopefully expand your customer base.

As always should you have questions, please feel free to contact me.

John
